

Sports Facilities at Government College, Mohna

Government College, Mohna took over the newly constructed building in October 2023. The college playground presently has several pits, and the work of filling them is in progress. The Public Works Department (PWD), Faridabad has already prepared the budget estimates, which have been submitted to the Department of Higher Education for sanction. After approval, the college will soon have its own well-developed playground.

Currently, the following sports facilities are available in the college:

- **Multipurpose Hall** – for various indoor games.
- **Indoor Games & Equipment** – Carrom Board, Chess, Badminton.
- **Outdoor Sports** – Volleyball, Cricket.
- **Fitness & Wellness** – Yoga Mats and related activities.

The college is committed to providing improved sports infrastructure to encourage the overall development and active participation of students in games and physical activities.
