Expert Talks under Entrepreneurship Development Programme (EDP)

Date: 02/09/ 2025

As part of the Entrepreneurship Development Programme (EDP), a series of expert talks were organized at Govt. College Mohna to promote entrepreneurial learning and awareness among students.

On **02.09.2025**, **Mr. Manas Kumar Singh** delivered an insightful session on the topics "*Entrepreneurial Mind-Set and Opportunity Recognition*" and "*Design Thinking for Entrepreneurs.*" The session emphasized developing creative thinking, identifying viable business opportunities, and the importance of innovation in entrepreneurship. A total of **80 students** actively participated and interacted enthusiastically with the resource person.

On **03.09.2025**, **Mr. Himanshu Sharma** conducted a session on "*Valuation Techniques for Start-ups, Future of Work & Entrepreneurial Opportunities.*" The talk provided valuable insights into start-up valuation methods, the evolving nature of work in the digital era, and emerging entrepreneurial opportunities. The session was attended by **65 students**, who benefited from the practical examples and expert guidance shared by the speaker.

Both sessions were highly informative and beneficial for the students, enhancing their understanding of entrepreneurial concepts and motivating them to pursue innovative ideas.
